MONTHLY AIR PERMIT APPLICATION WORKSHOP FOR FIRST-TIME APPLICANTS, CONSTITUTION HALL, LANSING, MICHIGAN. For most first-time applicants, completing the Permit to Install application is a daunting task. However, submitting a complete and timely application can be more manageable if you know what's expected. The Michigan Department of Environmental Quality is offering this workshop designed to give information on how to submit a complete permit application. Since this workshop is geared to first-time applicants, a significant portion of the session is devoted to your specific application. Air Quality Division permit engineers will be available to discuss your permit application with you one-on-one. To take full advantage of this time with the permit engineer, it is recommended you bring detailed information about your project with you to the session. This training is designed for first-time air permit applicants who need help completing their permit application; however, those who have applied before and need a refresher are welcome to attend as well. Online registration is available on the Web at www.michigan.gov/deqworkshops, click on "Upcoming DEQ Workshops". Registration Fee: \$25, which includes parking in the Ellis Parking Lot on the east side of Constitution Hall and training manual. Information Contact: **James Ostrowski**, Environmental Science and Services Division, 517-241-8057, or Email at ostrowsj@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or Email at deq-ead-env-assist@michigan.gov.

SARA TITLE III TIER TWO WORKSHOPS, VARIOUS LOCATIONS, MICHIGAN. Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA Title III), also known as the Emergency Planning and Community Right-To-Know Act, requires facilities to report information that can be vital to the community's safety. Over 6,000 facilities in Michigan annually submit Tier Two hazardous chemical inventory reports required by SARA Title III to the State Emergency Response Commission (SERC), Local Emergency Planning Committees (LEPCs), and local fire departments. Learn how to complete and submit the online Tier Two report at the 2009 SARA Title III Tier Two Workshops, presented by the Michigan Department of Environmental Quality's Environmental Science and Services Division. SARA Title III emergency planning notification requirements and chemical release reporting requirements in Michigan will also be addressed. This half-day workshop is recommended for owners, operators, and environmental and safety personnel of facilities that have hazardous materials (material safety data sheets required by OSHA) on site. Environmental consultants, LEPCs, and fire department personnel can also benefit from this workshop and are encouraged to attend. A full brochure and online registration are available on the Web at
